COMMENTS ON STATEMENT OF REASONS FOR ALLOWANCE

Applicant thanks the Examiner for the thorough search and examination of the present application and the allowance of the pending claims. Applicant acknowledges the Examiner's statements of reasons for allowance of the above-referenced patent application. Applicant agrees that the claimed subject matter is patentable.

However, Applicant takes no position regarding the reasons for allowance presented by the Examiner other than the positions Applicant may have previously taken during prosecution of the above-referenced application. Therefore, the Examiner's reasons for allowance should not be attributed to Applicant as a basis for Applicant's belief that the claims are patentable.

Furthermore, Applicant respectfully asserts that there may also be additional reasons for patentability of the claimed subject matter not explicitly stated in the record. Applicant does not waive the right to such arguments by not further addressing these additional reasons herein.

Respectfully submitted,

McDonnell Boehnen Hulbert & Berghoff LLP
